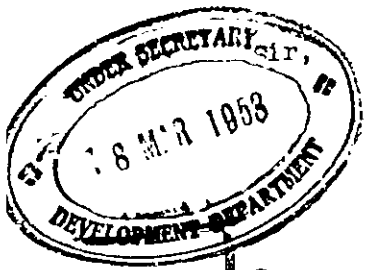
To
The Secretary to Government,
Development Department.

No.5034 C.1/52 dated 14-3-1953.

--

31805



Sir,

Sub: Education - Industrial - Karnataka Polytechnic, Mangalore - Station wagon No. M.D.Q.215 - Repairs to Expenditure - Sanction - Requested.

--

In G.O. No. Ms. 758, Dev. department dated 25th February 1950 Government approved the proposal for the transfer of station wagon MDQ 215 belonging to the Government Silk Filatures, Kollegal to the Karnataka Polytechnic, Mangalore for providing practical training facilities to the A.E. students in the polytechnic.

The Principal, has reported that the motor vehicle Inspector Mangalore who inspected the station wagon has pointed out certain defects to be rectified and urgent repairs to be carried out without which the vehicle cannot be put on the road . An estimate of expenditure involved in this regard furnished by the Principal is enclosed.

I consider that the repairs are essential and the estimated expenditure reasonable. As the vehicle is required for demonstration and teaching driving to the students of the Auto Engineering and Auto servicing courses in the polytechnic, I request that Government will be pleased to accord sanction to the incurring of an expenditure not exceeding Rs.1631/- on carrying out the repairs and replacements to the vehicle.

The expenditure is delitable to "43 a. Industries - Industrie and Supplies - ". Post War Reconstruction (v) Polytechnic - other charges contingencies."

No. 5034-CB1/53 dated 1-4-1953.

40492

Sub: Karnataka Polytechnic, Mangalore - Station Waggon - Repairs.

Ref: Government Telephonic Message dated 23-3-1953.

In G.O.Ms.No.758, Development dated 25-2-1950, Government directed that the Station Wagon No. MDQ 215 attached to Silk Filatures, Kollegal be disposed of by inviting offers. The Provincial Motor Transport Controller assessed the value of the Station Wagon at Rs.1,000/- and an offer of Rs.1,100/- for the vehicle was received from Messrs. Emanuel Electric Company, Bangalore City. As the Karnataka Polytechnic, Mangalore required a vehicle for instructional purposes in the Automobile Engineering, diploma and certificate course, I ordered the transfer of M.D.Q 215 from the Government Silk Filatures, Kollegal to the Polytechnic at Mangalore at Rs.1,100/- and the value adjusted between the two sections.

The statement in my letter No. 5034-C1/52, dated 14-3-53 that Government approved the proposal to transfer the Station Wagon is a mistake which is regretted.
